FLOOR DEBATE

January 14, 2002

when it was or the number or anything, it was a bill that had a \$100 fee. He told us he didn't like that, and he also told us that there will be an amendment to change that \$100 to \$1. After the half hour to 45 minutes of debate, call of the house, roll call vote, he told us that he would then introduce an amendment to change that \$100 to \$2, and so on up the scale until we got tired of it. That's changing bills, okay, but it's not specifically within...it's within the letter of the...our rules, but not necessarily the intent. We were told that rules shouldn't be reactionary. Why not? We are trying to find a way to use the limited...the very limited time that we have in a more effective and efficient way.

SPEAKER KRISTENSEN: One minute.

SENATOR HUDKINS: Will this rule do it, or the following rule? Perhaps not, but at least give us points for attempting to correct a bad situation. Thank you very much.

SPEAKER KRISTENSEN: Senator Beutler, for what point do you rise?

SENATOR BEUTLER: Call of the house, roll call vote.

SPEAKER KRISTENSEN: There's been a request to place the house under call. All those in favor vote aye; all those opposed vote nay. Record.

CLERK: 40 ayes, 0 nays, Mr. President, to place the house under call.

SPEAKER KRISTENSEN: The house is under call. Would all members please return to the Chamber and record their presence. The
